

Product description	SH0006B modifier is an additive for prevention of blooming state.
Applications	- The prevention of blooming state for extrusion curing parts

Typical Property Data

Benefits	- Convenient handling			
Typical properties	Properties	Test method	Unit	SH0006B
	Uncured properties			
	pppearance	ASTM E1767	-	Ivory
	Specific gravity	ASTM D792	-	1.15
※ Typical property data values should not be used as specifications				
Composition	- Silicone polymer - A metallic oxide powder			
How to use	SH0006B additives should be added on two-roll mill before heat vulcanization. The recommended level of the modifier is 0.5 to 1.0 phr.			
Features	- Prevention of Blooming situation			

Storage and packaging

Shelf life and storage	- Use it within 12 months from the date of manufacture. - Keep out of the reach of the children. - During transportation, try to avoid direct sunlight. Conditions of under 30°C with shade is commended. - If store condition is not fulfilled, the products' lifetime may be affected. Also, deterioration of the products' quality within shelf life time may occur.
Packaging	20 kg PE Container

Remarks

Handling	- Wear eye protection and protective gloves when handling this product.
Precautions	- Material Safety Data Sheets are available upon request from KCC.
Limitation	The featured product must be checked prior to use. If applying to other purposes, defects can be generated. Don't use in transparent products. If mixing with other products, degradation of properties and defects can be caused. 4) Additives or pigments must be used under technical support of KCC. 5) If it's first use, product must be applied after technical suggestion and assistance of KCC. Any other inquiries or methods of use can be found on KCC webpage and enquired technical support team at KCC.
Warranty information	Please read carefully This TDS is considered to be accurate. KCC's guarantee of the product will apply, only if conditions on TDS (limitation, notice, application) are fulfilled within expiry date. If not, KCC cannot guarantee the quality

of the product.

KCC's sole warranty is that the product will meet the KCC sales specifications in effect at the time of shipment. Your exclusive remedy for breach of such warranty is limited to replacement of any product shown to be other than as warranted.

KCC specifically disclaims any other express or implied warranty of fitness for a particular purpose or merchantability. Unless KCC provides you with a specific, duly signed endorsement of fitness for use, KCC disclaims liability for any incidental or consequential damages.

Suggestions of use shall not be taken as inducements to infringe any patent.
